Engineering Plans & Service Division

Dear Sirs:

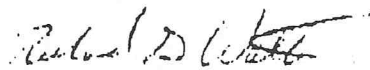

I would like to express my sincere appreciation for the outstanding work effort provided by S-V Company on Contract DAAA21-92-D-1002, Delivery Order #162, in the renovation of the Armament Research and Development and Engineering Center (ARDEC) Chapel building 3221.

In order to meet agreements between the Directorate of Public Works (DPW) and the ARDEC Chapel congregations, S-V Company was asked to perform a large amount of renovation work in a minimal amount of time.

Mr. Manjunath of your organization provided effective responsive action enabling this organization to meet its agreements. Mr. Manjunath acted quickly to changes and found viable alternatives to unique situations. Mr. Manjunath's flexibility and willingness to approach solutions to problems with a can do attitude reflects highly on himself and your organization. This type of attitude shows great professionalism and is greatly appreciated.

It has been a pleasure working with your organization and this office looks forward to any possible future endeavors with your organization.

Sincerely,

Richard G. Walter
Chief, Engineering Plans
and Services Division

Copy Furnished:

ARDEC Contracting Officer, Mr. John Beeman
